## **Trevor Bowls Club**

*Moira Griffiths*

The indoor bowls season is nearing the end, and in the Tuesday league the Trevor team are in a commanding position at the top with two games in hand . . . due to COVID!

The team has played well all season and has only lost one match against a strong team from Johnstown. All Trevor players have performed exceptionally, and this has also shown in the National heats, with players representing the Wrexham district in all disciplines (singles, pairs, triples and fours). These players will then go to the finals at Llandrindod Wells to play against representatives from the other Welsh counties. We are currently waiting to hear when the dates for the finals of these disciplines will be, as due to COVID the season has been thrown into disarray.

At the end of March the indoor season will end and bowlers will be moving to the outdoor game of Crown Green Bowls. Our players will then join the clubs of Plaskynaston, Chirk and Bradley and play in different leagues for the season.

If you would like to learn the game of bowls (either short mat or crown green), then why not contact Joyce on Wxm 823244 or Moira on 07909 917666.

## **Canal Workforce Update**

*Moira Griffiths*

Our taskforce has been very busy over the last few weeks tackling the vegetation around the aqueduct. The steps down from the canal have had the loose stones removed as they were turning into a hazard, with the steps becoming slippery. The path from the aqueduct up to the road has had the vegetation cut back as it was encroaching across the path. This is something that we will have to tackle again in the coming months as new growth in spring will come back with a vengeance!

The 'dead end' by the (closed off) Plaskynaston bridge has been dredged manually and has proved to be an ideal way of attracting ducks back to the area. The sunken logs and branches that end up there have been removed along with floating debris and litter.

At the other end of the aqueduct (before the closure) we managed to repair one of the wooden fences that follows the steps underneath. The wood is rotten in places and we are hoping to do some major repairs in the spring, by replacing the fences altogether.

If you have any spare time and would like to join the Towpath Taskforce, we meet on the 2nd and 4th Wednesdays of each month at the grey shed near the basin, from 10am until 3pm.

## **St David's Church, Froncysyllte**

*By Rev. Matt Wilkinson*

Our weekly church services continue at 9.30am. It would be lovely to see more people. There is a coffee morning on 5th March in aid of the Church in the Froncysyllte Community Centre. It will run from 10 a.m. until 2.00 p.m. There will be tea/coffee, cakes, tombola and a raffle. Further information about the coffee morning is available from Shirley O'Neill on 01691 774792.

## **Chairman's Corner**

*Councillor Elfed Morris*

Our Community Council meetings are still on Zoom, although we are hoping to have our next meeting in March at the Community Centre in Trevor.

I would like first of all to mention the two competitions that we arranged before Christmas. The Christmas card competition was very well supported by both Fron and Garth schools, sincere congratulations to all the winners and indeed all who took part.

Our thanks go to the two judges Moira Griffiths and Nora Conde, and to Barnett Engineering who sponsored the winners at Garth school.

The best Christmas window and garden display competitions were also well supported with 16 entries, again congratulations to the winners and thanks to our judges Moira Griffiths and Sian Williams.

Stray sheep around the flats in Garth have been a problem for some, damaging plants and flowers. At long last I am very pleased to see a new fence erected by Wrexham County Borough Council (WCBC). Thanks go to County Cllr. Rondo Roberts for his efforts in getting this done.

After 12 months we are still waiting for WCBC to grant us permission to site a new notice board by the flats in Garth. I hope it will happen soon.

The holiday season and additional traffic will soon be with us. I really hope that WCBC and Canal and River Trust together, will put satisfactory plans in place to deal with the parking issues in Trevor and Fron this summer, possibly FREE PARKING??

I would also like to thank the three Fron Councillors for their efforts in getting the Boer War Memorial restored; this work is on-going. It is something that is very important to our history.

I will soon be finishing my term of office as Chairman; it has been a privilege and honour to be Chairman for the last 18 months.

I would like to thank my fellow Councillors for their support, thanks also to County Cllr. Rondo Roberts and our Clerk Andrea Evans for all their hard work.

The hall makes an ideal venue to host your party of up to 100 people. We have a large kitchen equipped with cups, saucers, plates, dishes and cutlery. There is a fridge and microwave available. There is an electric cooker and an electric food heater.

The hall also has a lounge which can accommodate 20-30 people. It is equipped with a large screen television.

To check availability ring Joyce Evans on 01978 823244.

## **Library Home-link Service**

The Home-link Service is for people who live in Wrexham County, are housebound and have no-one to collect books on their behalf. For information on this service please email [library@wrexham.gov.uk](mailto:library@wrexham.gov.uk) or call 01978 292090

## County Councillor's Update

*Anthony 'Rondo' Roberts*

It is a New Year and on a health note hopefully things will continue to improve in relation to Covid.

With winter hopefully slowly leaving us we can look forward to some warmer weather, but as we know, in our area this brings its own problems in terms of visitors to the World Heritage Centre.

I have had countless meetings over the last few months with various officials from the Canal & River Trust and Wrexham Council, to try and ease the problems that we encounter in Trevor and Fron. Whilst they all appear to sympathise with the traffic problems we have, it remains to be seen whether worthwhile actions will be implemented. Please notify me of any concerns you encounter over the coming months. The closure of the Newbridge road has caused numerous problems of late, but hopefully in the near future there will be some good news, and although problems will not disappear overnight there should be light at the end of the tunnel.

The parking restrictions by the Aussie Rooster should be in place shortly. I continue to pester Wrexham Council and I am assured that we are almost there, but bureaucracy can sometimes appear to be slow moving.

Discussions are still ongoing in terms of the Multi-User track to Llangollen and also the JC Edwards wall. I will keep you informed of progress.

In a short time details should emerge of the plans on how the levelling up fund money will be spent. Again you will be kept informed.

If there is anything I can be of assistance with, don't hesitate to contact me.

## Apple & spice tea cake recipe

*Joyce Evans*

### Ingredients:

175g butter / 3 large eggs / 175g light Muscovado sugar / 1 eating apple / 1 tsp. vanilla essence / 85g ground almonds / 200g dried mixed fruit / 1 tsp. cinnamon / 175g plain flour / 1 tsp. baking powder / half tsp. nutmeg / 1 tbsp. of marmalade or apricot jam

### Method:

Heat oven to 180C/Fan 160C/Gas 4

Butter a 2lb loaf tin and line with baking paper or a loaf tin liner.

Beat together the butter and sugar until pale and creamy. Beat in eggs, one at a time. Grate the apple and mix into the butter with the vanilla, dried fruit and ground almonds.

Mix baking powder, flour, spices and a pinch of salt. Fold into the batter.

Spoon mixture into the tin and level the top.

Bake for 45 mins then turn oven down to 140C/Fan 120C/Gas 1. Cover with cake foil for another 45 mins. Cool in tin. To finish, melt marmalade/ jam in a pan. Sieve to remove lumps. Brush over the cake to glaze top. Freezable for up to 1 month.

## **Police Matters**

*Lara Shiers (PCSO)*

### **Crime Trends**

Following an emerging trend of thefts of caravans across the district, we are advising owners to review their security measures, remain vigilant and report any suspicious behaviour by using 101 or the live webchat. However, if a crime is believed to be in progress please contact NWP using the emergency 999 number.

We are encouraging owners to register their caravans on the Central Registration & Identification Scheme (CRiS). They have a database for stolen caravans and offer security packages including RFID chips which can be activated, should a caravan be stolen. A small fee may apply. For more detailed information, visit [www.cris.co.uk](http://www.cris.co.uk)

Additionally, Secured by Design (SBD) has Motorhome, Campervan & Caravan Security advice detailed on their website. For more information, please visit the 'Guidance' section on their website: [www.securedbydesign.com](http://www.securedbydesign.com)

### **'North Wales Talking' Survey**

During the start of February, Neighbourhood Policing Teams have been visiting local residents to complete short surveys about what it is like to live in their area and what issues matter most to them and their community.

North Wales Talking is a major initiative being launched by North Wales Police and is a key priority of our Neighbourhood Policing Teams. It aims to understand the crime and disorder concerns of local communities in North Wales. The feedback will help us and partner agencies understand areas of improvements and to prioritise policing activity.

The surveys were well received and it was great to talk to residents and listen to their feedback.

### **E-Scooters**

Since Christmas we have seen an increase of the use of e-scooters being ridden in an anti-social manner. We continue to challenge any individuals riding e-scooters and have been advising parents about the current law regarding them. E-scooters are classed as a motor vehicle and must comply with various pieces of Road Traffic Legislation. This includes driving with a licence, insurance and the requirement for valid vehicle tax. However, it is not currently possible to get appropriate insurance for privately owned e-scooters, meaning it is illegal to use them on a road or public spaces in North Wales.

## Over 50's Group

*Pam Lewis*

During these long, dark nights it's extra nice to get out in the day & enjoy a chat, a cuppa/cake & some social activities. Perhaps you'll consider joining us?

One of our December highlights was when we all shared a celebration Christmas lunch prepared by group members. Santa couldn't make it but we were lucky to receive a kind donation to cover costs. The Marzipan Fruit Workshop went down well too. I am not sure how many fruits survived until Christmas; there were lots of mouths chewing during the session. Elaine's was unique as she created a mini Christmas dinner.

In January there was a fun quiz, and on the 26th we all wore tartan and celebrated Burn's Night with a haggis & IronBru lunch. Two of the group entertained us by dressing in Scottish hats & wigs!

In February we were grateful once again to Moira & Steve for guiding us in an Indoor Bowls session. They said we had all improved our techniques. Visitors from Plas Newydd Bowling Club swelled our numbers, with the afternoon ending in a 2-2 draw. To mark Valentine's Day we made romantic hand-held sprays and posies.

Everyone knows that company can be a salve & a comfort, and this welcoming group is a way of making & meeting friends. The activities are varied & fun. So feel free to join in when we meet between 2-4pm on the 2nd and 4th Wednesday each month.

## 1st Trevor Scout Group

*Elaine Anderson*

*Group Scout Leader*

First of all I would like to thank all who supported our Xmas raffle; we made well over £200 for our funds.

The main prize was won by one of the children but many prizes went to the people of Trevor.

We thoroughly enjoyed our lively Halloween and Xmas parties. Unfortunately due to Covid we were unable to Carol sing at Tesco, fingers crossed for next year.

The group have had some really great evenings around our new fire pit, you must have heard them singing.

The Beavers have been working on their Disabled awareness and Communication badges, including learning

the alphabet in sign language. The Cubs section has been working hard on their World Challenge badge. This includes making a labyrinth from Lego bricks, litter picking on the estate, sign language, and making clothing from recycled items. This will be completed after half term, with a Colour Festival to wear the homemade clothes and Indian food tasting.

We now have vacancies in the Cub Section for boys and girls age 8-11 years. We meet on Thursdays at our Trevor HQ from 7.15-8.15 pm. We are also looking for helpers and potential Leaders; you would be surprised how much fun it is.

Please contact me re. new recruits or adult helpers on 07939476208.

## Boer War Memorial

*Keith Sinclair*

The Community Council is working towards the restoration of the Boer War Memorial in Froncysyllte. The War Memorial is situated outside AN Richards garage and is an important item of local history.

An application has been made by the Community Council to the War Memorial Trust for funding. The Council has successfully completed round one and now await the outcome of the submission for round two funding. That funding bid would enable the Council to employ a specialist to draw up a detailed schedule of the necessary works.

The Froncysyllte Community Centre is leading local fundraising efforts. Fundraising activities took place at the end of last year including a cryptic quiz, a Christmas Fair, Hotpot Supper and

Christmas dinner. Over £1,000 has been raised with more activities planned. The Management Committee of the Community Centre would particularly like to thank the Aqueduct Inn and the Chapel Tearoom for their support with fund-raising.

The picture shows Management Committee members Keith Sinclair and Phil Jones with staff from the Chapel Tearooms, following the fund-raising quiz.

## Ysgol Froncysyllte

*Headteacher*

Over the Christmas period, we had some fantastic news. Ysgol Froncysyllte was judged to have the best dressed Christmas Window in a local competition.

We were delighted when the Wrexham Leader decided to feature the story in their newspaper.

### Dee Valley Federation

FRONCYSYLLTE CP School was a proud winner with a Christmas themed artistic window.

The school came first place in the Best Window Display competition, which was held by the Llanelgion Rural Community Council.

The council funded the competition to support the local communities of Treaf, Garth and Froncysyllte.

Foundation Phase decided upon a winter snow scene and Key Stage 2 created a beautiful Bethlehem back drop, which they also used in their Welsh play, LLWYLLY: Noddy! The Colours of Christmas.

Froncysyllte are very proud to have won the competition and are excited to spend the Christmas vouchers for something special for the school.

Sian Williams, one of the

The Bethlehem scene of Key Stage 2 (above) and winter scene from the Foundation Phase (left) at Froncysyllte CP School.

organisers of the event, said: "Fron's window display was excellent and a deserved winner."

Froncysyllte look forward to next years competition!

On 8th February, Fron School turned into Hogwarts for the day. Both classes had an exciting and educational 'Harry Potter Day.' Some of the activities included: making potions, designing & creating clay animals and making chocolate witches hats. There was a special Harry Potter themed lunch, and this special day ended with a game of Quidditch for PE!

## Froncysyllte Community Centre

*Sian Williams*

The community centre has been hosting a range of activities since last autumn.

Our established groups have made good use of the centre, and it is good to see everyone returning. The run up to Christmas saw lots of activity including a Christmas dinner and two Christmas fairs. The turnout to all events was excellent and we are grateful to everyone for their help and support.

This year we welcomed back the Young Carers and newcomer Kathy Eyre with the sewing classes. Also Liz Carding is hosting a craft group in March and April which will include great activities. We advertise events on the Froncysyllte Community Noticeboard Facebook page. Please call me on 07958646382 if you are interested in booking the centre for a party or other event. We are planning events to celebrate the Queens jubilee in June.

Froncysyllte Community Centre has been adopted as a Community Cause by the Co-operative. Please support the Community Centre by nominating the Centre as their chosen Community Project here: <https://causes.coop.co.uk/>

## HOLIDAY CLUB

Pontcysyllte offers holiday club to pupils during all or part of all school holidays – Summer, Christmas and Easter and half terms.

The holiday club currently runs for four weeks during the summer, one week at Christmas, four days at Easter and every day of each half term.

The clubs run from 8.00am until 5.30pm each day, and full or half day sessions are available.

Children are offered a wide range of activities from arts and crafts to forest school in our outdoor classroom and local woodland.

We offer a friendly, relaxed atmosphere. Children bring their own packed lunches to holiday club, but snacks and drinks are provided throughout the day.

All children from the local area and beyond are welcome, but places are limited and are therefore given on a first come first served basis.

### HOLIDAY CLUB CHARGES

## **Ysgol Froncysyllte and Ysgol Y Garth**

*Headteacher*

On Tuesday 25th January, all our pupils across the Federation became World Record Holders! The challenge was set to celebrate the Urdd's 100th birthday. Our pupils helped the Urdd achieve the World record for 'most videos of people singing the same song uploaded to Facebook in one hour.' Huge congratulations to all the pupils and the staff for preparing them so well - Llongyfarchiadau a diolch yn fawr.

## **Ysgol Y Garth**

*Headteacher*

In October 2021, Years 5 & 6 started a sponsored cycle challenge using an exercise bike.

The challenge was to cycle 6707km across the width of Africa before Christmas. The pupils each took turns throughout the day to clock up the miles, and even continued the challenge at home! Over the weeks the pupils decided to increase their daily kilometres by walking and running around the playground to ensure that they could hit their weekly targets, and reach their goal by Christmas. The pupils worked tirelessly and completed the challenge on time.

The funds that the pupils raised have been split between school funds and Barnardo's charity in Llangollen. Julie Burke from Barnardo's said, "Your donation is very much appreciated and is very important to us as we cannot help our vulnerable children without your kind and generous donations".

Ysgol Y Garth staff would like to say a huge well done to the pupils, for being totally committed, and achieving this fantastic result.

## **St David's Churchyard, Froncysyllte**

*Keith Sinclair*

Community volunteers continue to work hard to maintain the churchyard grounds. Prior to community involvement, the grounds had become overgrown. Members of the congregation and local volunteers have improved the condition of the grounds. Much remains to be done, so we are asking local residents to do two things:

Firstly, if you have friends or family buried in the churchyard, then please try to visit to tidy the immediate area of their graves.

Secondly, consider joining in the Community "Work-in" Sessions held on the last Saturday of each month from 10.00 a.m. to 12 p.m. Details are posted on the Llangollen Rural Community Council Facebook page. The next session is Saturday 27th March. Details are available from Keith Sinclair, 01691 773634.

# Our Picturesque Landscape Project

*Kate Thomson*

The Project is a 5-year National Lottery Heritage Funded partnership project, which centres on the landscape of the Dee Valley, the Pontcysyllte Aqueduct and the World Heritage Site.

## Jeffrey's Wood at Pontcysyllte

The area to the north of the aqueduct was open land in 1870 but is now dense woodland. This woodland had not been managed for many years and so has been thinned through coppicing during this winter period. This helps to open up the woodland floor, allowing sunlight in and flowers to thrive and the existing trees to grow more healthily. It also allows an uneven age structure and wider variety of trees, which is good for the overall health of the woodland and biodiversity, as well as revealing some views.

Phase 1 of the works started in October 2021 with thinning work in Jeffrey's wood. A second week focused on the old hedgerow alongside the steps down to the river from the basin, and on the other side of the aqueduct arches. In a few years the coppiced trees can be re-laid as a hedge, as it would originally have been.

During February 2022, part of the line of trees will be laid as a hedge and the gaps filled with a mix of hedgerow tree species such as hawthorn and hazel, as part of a planting scheme. These trees will be allowed to grow for a few years, before being ready to be laid as a hedge on either side of the pillars to replicate the hedgerow from the 1800's.

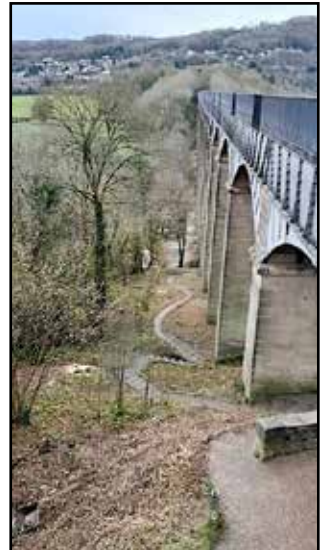

Volunteer days were held in November at Pontcysyllte to do some coppicing. Volunteers cut back trees, used 'tree poppers' to relocate coppiced trees that were growing in the wrong place and replanted them in the line of the hedgerow. The idea is that they will grow alongside the coppiced stumps.

## **Community Agent**

*Katie Lucas*

Hello, I am Katie Lucas the Community Agent for Trevor, Garth and Froncysyllte. My job is funded by the Community Council.

For those of you who are not aware, the Community Agent service supports over 50's across Wrexham. We help people access services and support in their local areas, support them as they improve their mental health and wellbeing, enable them to reconnect with their local community and strengthen those community relationships and services.

It's been a busy month in the Llangollen Rural. I have been supporting people with blue badge and attendance allowance applications, referrals to GP's, District Nurses, the Falls Team and Occupational Therapists. I have also been supporting some members of the community through prescription collection, meals on wheels delivery as well as supporting clients to attend GP and hospital appointments.

If you think I can help you in any way, please do not hesitate to contact me on 07543 148836 or via email at [llangollenruralca@therainbowfoundation.org.uk](mailto:llangollenruralca@therainbowfoundation.org.uk)

You can also get in touch via the Community Agent Facebook page - Katie Lucas Community Agent Llangollen Rural.

## **Local History – Froncysyllte 1890's**

*Keith Sinclair*

A battle raged between local pubs and the Temperance movement in Llangollen Rural over a hundred years ago. Here is some Fron history; a future issue will cover a similar story in Trevor. In the 1890s, there was a "Vron Drinking Club". In April 1897, the Llangollen Advertiser reported that two Vron men had been found guilty of committing an affray. P.C. Harris stated he had seen the men "stripped and fighting outside the Vron Drinking Club". The newspaper headline for the news item was "The Vron Club Again", there having been several reports of arrests in 1897 and 1898. The Llangollen Licensing Magistrates were told in September 1898 that almost all the cases of Sunday drunkenness were from Vron, where a drinking club existed. The pubs in Wales were closed on Sundays.

By 1899 the Temperance Movement was fighting locally to combat the spread of alcohol. The Independent Order of Good Templars (I.O.G.T.) was active in Vron and campaigned for prohibition. It strove to provide social facilities that served non-alcoholic beverages, promoted education, self-help, and supported decent working conditions.

On 17th March 1899, The Llangollen Advertiser reported that the I.O.G.T had announced that, "The members of the "Rising Sun" Lodge of Good Templars at Vron removed their lodge room to premises to be known as "Vron Temperance Hall", recently used for an entirely different purpose and locally known as "The Vron Drinking Club".

In LRCC's Community News (Summer 2012), an article on the 1911 Vron census by Emrys Roberts confirms the existence of a Temperance Hall in the village, presumably the same hall discussed above. So where was the Temperance Hall? The 1939 census for Fron records that as there was a Temperance House, occupied by John James, Louisa James and John Evans. It was located between "The Old Post Office" and 1 Cross Street Terrace. It is possible that this was the same building.
