None received.

4. PCSO's report on police matters

PCSO Abigail Land was unable to attend and the Clerk had not been provided with a report.

5. Community Agent's report

The Community Agent presented his report. He was continuing to see a previous referral and had met with residents who had fallen. The Garth & Trevor Over 50's Club was doing well, and the Community Agent had set up a bank account for the club. The Clerk would arrange a cheque payment to the club, for the £1000 Community Inclusion Grant it received from WCBC Social Care. The Community Agent had attended meetings with the Southern Cluster Community Agents, which were held bi-monthly.

Cllr. Sinclair offered to assist the Community Agent with changing the email address from trevorcommunityagent@gmail.com to llanrural.communityagent@gmail.com.

6. Update from the Clerk on the work log

The Clerk provided an update on the work log and this was discussed.

Parking Fron Basin/Trevor Basin – parking consultations were with the legal department of WCBC.

Dog fouling on the old railway line - still waiting for WCBC to set up an enforcement officer to visit the area.

Pot holes at Bee Bank – pot holes had been filled, but the escaping waste water was being investigated.

Cars parked on the A539 Llangollen Road near to the old post office - parking consultations were with the legal department of WCBC.

New notice boards for Garth – a new supplier was being sourced.

Installation of a lockable gate at the George Avenue playground – an email had been received from WCBC stating that they would not be happy for the gate to be locked, and that it would be contrary to the conditions of the grant received for the installation. They advised engaging with the police, but this had

been done by the Community Council, and so it was decided that the Clerk would write to WCBC to inform them of this.

Purchase of 2 speed signs and 2 extra lockable mounting posts – the order will be placed in February to obtain the best price. Two bilingual plates will also be purchased.

Public meeting to discuss the possible use of part of the school field – the meeting on 11th January 2020 in Froncysyllte was well attended, and the group were in favour of the Community Council taking on part of the field. This was considered by Councillors, and it was decided to continue the discussions with the school.

9. Funding of the Mobile Library Service provided by WCBC

WCBC had asked by letter if the Community Council would like to make an expression of interest in funding the mobile library service. The letters from Wrexham Library Service, which included forecasted budget figures for the mobile library service for 2020/21, were discussed. The cost of providing the service to Llangollen Rural for 2020/21 was estimated to be £824.00.

The Mobile Library Service was a valued and important service for the residents of the area who were unable to visit Cefn or Chirk libraries, and one which the Community Council did not want to lose. It was considered that the benefit of the service outweighed the estimated cost of £824.00 for 2020/21, and it was hoped that this service was not under threat of being cut.

It was decided that the Clerk would reply to the Library Service emphasising the value, importance and benefit of the mobile library to the residents of Llangollen Rural. If WCBC were looking to withdraw the service, or if it were under threat, the Community Council would be prepared to make an expression of interest in funding the service.

10. Approval of a representative of Llantysilio Community Council onto Llangollen Urban, Llangollen Rural and Glyntraian Welfare Charities

It was decided to approve the appointment of Cllr. Maggie Smith from Llantysilio Community Council to the board of Llangollen Urban, Llangollen Rural and Glyntraian Welfare Charities.

11. VE Day 75

The Clerk provided details from the SSSFA, the Armed Forces charity, of the proposed VE Day 75 celebrations marking the end of the war in Europe on 8th-10th May 2020. After a discussion, it was decided that Cllr. Sinclair would speak to Froncysyllte Community Centre to see if they had an event planned, and the Community Agent would speak to the Garth & Trevor Over 50's Club to see if they were going to hold an event.

12. Councillors' reports on meetings attended.

Nothing to report.

13. Ownership and maintenance of the footpath between Alma Rd. and School Lane in Froncysyllte.

The path had been reported by a resident as being in a poor condition. WCBC had informed the Clerk that the path was not recorded on the Definitive Map, and was therefore not maintained by the Public Rights of Way section. It was decided that the Clerk would request further information from WCBC, including who owned the path/land.

14. Resident's request for AstroTurf pitch at the George Avenue playground in Trevor 33/19

A resident had requested that an AstroTurf pitch was installed at the George Avenue playground, due to the wet condition of the ground for a large part of the year, and the lack of available space to play ball games in the village. This was discussed, and it was said that some years ago there were discussions with WCBC about a possible MUGA in the area, and that at the time funds were held by WCBC for this purpose. It was decided that Cllr. Roberts, as County Councillor would make enquiries with WCBC to establish if funds were still available.

15. SLA with WCBC for playground maintenance and inspection 2020/21

The SLA was discussed and it was decided that the Community Council would enter into the agreement for 2020/21. The Chairman signed the SLA agreement.
