Christmas Party

By Steve Edwards

The pensioners party was yet again very well attended with just short of 100 pensioners turning up on the evening. The evening started with a complimentary drink on arrival, followed by the meal and then the entertainment. Christmas carols were sung and we had a couple of games of prize bingo and a free raffle. The food, drink and entertainment was well received with many compliments from our guests regarding the whole evening.

Many thanks to all the people who helped out with the Santa runs and pensioners party, we know it takes a lot of hard work to arrange and prepare these events but we always seem to be "all right on the night".

LONDON VICTORY PARADE 1946

By Moira Griffiths

My mum, Rita Jones (Nee Aidley), who lived in Fron, was chosen to take part in the Victory Parade through London on Saturday 8th June 1946. She was working in Monsanto at the time, in the labs, and was proud to take part in this historic event. She and a male colleague received free return railway warrants for the journey.

On the Saturday morning they assembled at 9.15 at Hyde Park and joined a group in the Civilian Services, representing Industrial Workers in Chemical Manufacturing. The actual parade started at 10.40 and they remember meeting people from all over the country. There were nearly 21,000 people in attendance. The route was - Marble Arch, Oxford Street, Charing Cross Road, Trafalgar Square, Northumberland Avenue, Embankment, Bridge Street, Parliament Street, Whitehall, The Mall, Constitution Hill and return to Hyde Park. Their contingent was under the charge of an Assistant Marshalling Officer.

The weather was good and the atmosphere was buzzing with all the excitement generated by thousands of people in good spirit. The march was long but on arrival back at Hyde Park they were taken by bus for a mid-day meal. They returned home at 1 a.m. the following morning.

If anyone would like to see the full document then please contact me, as I have the original, or a copy is being kept in a folder held by Joyce Evans. Moira Griffiths 824401.

Congratulations

Mrs. Maelor Roberts of Tegfan Llangollen Road Trevor celebrated her 100th Birthday on New Year's Day. The Photograph shows her with her great grandchildren at a lunch for her immediate family in The Bryn Howel Hotel. She was extremely pleased with all the cards, flowers and visits, which included visits and flowers from the Mayors of Wrexham and Llangollen, together with representatives of the Community Council.

Over a hundred cards were received, including one from the Queen, The Welsh Assembly, The Minister for Welsh Affairs, and the Community Council.

1st Trevor Scout Group

Elaine Anderson Group Scout Leader.

Many thanks to the people of Trevor Estate who donated £ 81 for our carol singing on a bitterly cold night. Also the Xmas raffle raised £122 which was won unbelievably by myself.

Good news as we now have a Scout Leader for the group, this is for children 10 -14 ½ years, and the group will start after the Easter holidays. If there is anyone interested in helping with this age group, please call and see me on a Thursday evening between 6.30 - 8pm at our HQ.

The cubs are going on a pack holiday to London during half term for 4 days; there are 18 of us traveling in all. We will be meeting our local MP and visiting the Houses of Parliament and the Jewel Tower with her. We are also doing touristy things like London Eye, Tour on the Big Red Bus, Boat ride on the Thames, Buckingham Palace and visiting the Museums, this will give the cubs a good all round experience and something to remember.

Our next Bingo will be Wednesday 9th March eyes down 7.30pm.

Thank you

I can only speak for myself and my husband but what a wonderful evening we had at the Garth, Trevor and Fron Senior Citizens Christmas Party,

The food, drink and entertainment were great but even better was meeting people we had not seen for such a long time. I knew my husband would enjoy himself as he had lived on "Trevor Estate" as a child, before moving to Fron. He met cousins, old workmates and school friends.

However, being a "Grumpy Old Man" he had to find something to complain about. "There wasn't enough time to talk to everyone". Well if he is lucky enough to get an invitation next Christmas, he'll just have to get there a bit earlier, won't he!

Seriously though, what a lovely evening it was and what a fantastic group of volunteers, young and not so young. We hope that these parties can continue. Thank you all so much.

Pat Wilson, Froncysyllte

For many people, Easter is happy time.

By Tony Rees Vicar of Chirk

On a secular level, it marks the end of winter and the start of spring, and with that the hope and expectation of new life, with buds, blossom and new leaves, birds nesting and fledglings growing.

For Christians, Easter marks the end of Lent (the word refers to the lengthening of the days during spring) which is the season of preparation for Holy Week, Good Friday and Easter Sunday. After remembering on Good Friday the death of Christ on the cross, Christians celebrate on Easter Sunday the resurrection of Christ to new life; his rising from the dead.

At Easter, Christians celebrate the God who gives life and hope even after death and despair. At Easter, Christians celebrate the presence of the living Lord Jesus alive in our world and hearts.

Easter means there is life after death, light at the end of the tunnel, hope in spite of setbacks, God victorious over evil. Easter therefore means we can triumph over sin, triumph over despair, and triumph over death. With God, nothing is impossible, and with the living Christ in us nothing need be impossible for us either.

Happy Easter!

Congratulations

From resident and keen Classic Trials rider Russell Jones has won the Sammy Miller Products Best British Performance Trophy 2010.

The photo above shows Russell receiving his award from Mr Sammy Miller at the ACU Awards dinner on Saturday 29th January 2011.

The trophy is awarded to the rider who scores the least penalty points throughout the whole of the year's championship. The 2010 championship consisted of 9 rounds starting in Devon in March and ending in Didcot at the end of November. Throughout the year Russ tackled 288 competitive sections and battled hard against the other 244 riders who registered for the 2010 championship. Well done Russ!

Christmas 2010

by Steve Edwards

At the beginning of December we were able to get our three Christmas trees in Garth, Trevor and Fron decorated with lights to start off our usual Christmas celebrations.

Due to poor weather we did have to cancel (at short notice) a Christmas fayre that had been planned to be held at Garth & Trevor community centre, we were really disappointed to cancel but due to the exceptionally cold and slippery conditions it was far to

dangerous to expect people to come out and support this event.

Fortunately the weather did improve slightly as the month went on and we were lucky enough to see Santa carry out his annual visit on the run up to Christmas. Santa had a great time touring the villages talking to young and old and giving out chocolates (courtesy of Cadbury at Chirk) to local residents as he travelled through our villages.

We hope everybody received all the presents they asked for on Christmas morning!!

Aqueduct Community Association

by Steve Edwards

The Aqueduct Community Association has recently had a change of Chairperson, the out going Chair; Sue Kempster has been with the Association since day one and has been a great driving force for the Association. The Association members would like to thank Sue for all her hard work and commitment over the last few years.

I have now taken over from Sue and it is my intention to serve our three communities to the best of my ability and to continue working alongside our Association members and all the other community groups in the area to achieve our goals.

As always we are keen to try and get more people to join us and help shape the future of our communities, there is currently a lot of work going on to create a tourism development plan for the 11 mile stretch of the World Heritage site that will undoubtedly affect everybody for many years to come. If you feel you could spend some time helping us contribute to this plan, and other plans that will be developing soon then maybe now is the time to get involved. If you feel you may be interested in helping shape the future of our community please contact a member of the Aqueduct Community Association, visit our website: www.aqueduct.uk.com or drop me an e mail: aqueductca@gmail.com for more details.

Fantastic

By Barbara Davies

On 25th January 2011, the Foundation Phase team visited school to monitor teaching and learning in our Foundation classes and the transition to Year 3. (Mrs Bellis, Mrs Kerr and Mrs Jones classes)

The report was excellent and the governors, teachers and children are very proud of the wonderful comments made in the report.

Here are a few comments from it:-

"Areas of continuous provision are thought out so that children can make connections between their learning."

"Attractive room layout. Mixture of activities available to the children."

"Evidence of progression is very clear in Years 1 and 2; children showing high levels of independence and collaborative skills."

"Years 3 and 4 teacher has created working areas and the children are focused on their own learning."

"Throughout Foundation phase children are very interested and motivated to learn-lots of strengths."

"Good working relationships between all staff in each of the classes-clearly everybody is on board".

A big thank you and congratulations to all the staff and children involved in making our school such a success!

Garth School News

By Sylvia Clough

Pupils in the junior department visited "Dangerpoint" again this year as part of their PHSE syllabus and they thoroughly enjoyed and benefited from the experience. Pupils in Years 5 and 6 put on a show to celebrate the Aqueduct's history and we have had very positive feedback from everyone who attended the event.

We conducted a school Christmas Concert in December, despite burst pipes and snow and my confinement in hospital. We had a burst pipe twice over the Christmas holidays and we have had to work under very difficult circumstances. I wish to praise the staff for their hard work and team effort during this difficult time, and the parents and children for their patience and understanding. At least we didn't close. Now we are having new toilets and have work going on around us.

The choir took part in a fundraising concert in B and Q and also took part in the LIME concert at the Pavilion in Llangollen.

We wish to purchase more Welsh books and we wish to help the School Council to raise funds for four new laptops for the juniors and a whiteboard for Foundation Class 1. We also wish to ask the Governing Body to help the School Council to rally more of an input by more parents. They are asking to meet with the Governing Body to discuss the way forward. Any ideas? Give us a ring.

Residents of Garth, young and old gathered at the Christmas Tree to sing a selection of carols. With snow lying on the ground and the tree lights on, we enjoyed warm mulled wine and mincepies. (We then walked down to the Aussie Rooster for some further lubrication). A lovely community event we hope to repeat.

TREVOR BOWLERS REACH NATIONAL FINALS

By Moira Griffiths

Several players from the Trevor and Flexsys bowls clubs have competed in the National heats held recently at Flexsys. Three players have qualified for places in the 'fours' team and three players have qualified in the 'singles' discipline. All players represented Clwyd Short Mat Bowls Association at Llandrindod Wells at the beginning of February, competing against teams from other Welsh counties. In the singles, two Trevor players were unfortunately knocked out of the competition whereas the Flexsys bowler reached the final but was beaten 11-7 by a player from Cardiganshire.

Two teams from the Trevor Indoor Bowls Club regularly play in the Flexsys League on Monday nights. Although both teams are at opposite ends of the league table they unite for games on Tuesday afternoons and visit other bowls clubs in the area. The amalgamation of both teams on Tuesday has proved to be very strong and successful and the team can take pride in their position at the top of the Tuesday league.

If anyone is tempted to join the Trevor Bowls Club then please come along to the Community Centre on Thursday evenings from 7pm and give it a try. Everyone is welcome. Contact Moira on 824401.

Sticky Toffee Pudding

pudding

75g / 2¾ oz sultanas
150g / 5½ oz stoned dates, chopped
1 tsp bicarbonate of soda
2 tbsp butter, plus extra for greasing
200g / 7oz brown sugar
2 eggs
200g / 7oz self-raising flour, sifted

Sticky Toffee Sauce

2 tbsp butter
175ml / 6 fl oz double cream
200g / 7oz brown sugar
zested orange rind to decorate
freshly whipped cream to serve

To make the pudding, put the fruits and bicarbonate of soda into a heatproof bowl. Cover with boiling water and leave to soak. Preheat the oven to 180°C / 350°F/Gas mark 4. Grease a round cake tin, 20cm/8inches in diameter, with butter. Put the remaining butter in a separate bowl, add the sugar and mix well. Beat in the eggs then fold in the flour. Drain the soaked fruits, add to the bowl and mix. Spoon the mixture evenly into the prepared cake tin. Transfer to the preheated oven and bake for 35-40 minutes. The pudding is cooked when a skewer inserted into the centre comes out clean. About 5 minutes before the end of the cooking time, make the sauce. Melt the butter in a saucepan over a medium heat. Stir in the cream and sugar and bring to the boil, stirring constantly. Lower the heat and simmer for 5 minutes. Turn out the pudding onto a serving plate and pour over the sauce. Decorate with zested orange rind and serve with whipped cream.

Fron News

Froncysyllte Walking Group

The group enjoyed a warm Christmas welcome at the Bryn Howel Hotel on Thursday having walked from Reads Yard in Trevor. Following a well earned lunch there was a quiz and raffle before the weather closed in and the group walked back along the canal towpath.

As Cakes and Company is closed for the winter, the January walk saw 29 of us head for the Duke of Wellington where we were warmly welcomed and provided with a hearty stew to fuel the second half of the walk. Many thanks to both establishments. We are all are looking forward to return visits.

Walkabout Wrexham programmes are available locally including Fron Post Office and Cakes and Company Community Cafe. Please also look out for posters for 'special' walks which are not in the programme. Also check the Community Cafe website www.froncysylltecommunitycentre.btik.com

Walkers registered with the Froncysyllte group will be able to enter a photographic competition which will be judged in the Autumn. Further details please contact Julie on her email address. Any Community groups wishing to organise a walk are also welcome to email Williams-julie@hotmail.com

Cakes and Company Will reopen on Easter Saturday 23rd April, 12noon – 4pm. All welcome.

Police Matters

What do you think are the main policing problems in Garth, Trevor and Froncysyllte? Hopefully you will not have too many concerns and feel able to contact local officers for any advice or with any information you may have in relation to crime or suspicious circumstances. If you use a computer please visit the North Wales Police website and let us know what you think our priorities for your neighbourhood should be on "balance your bobbies" (it might be a good exercise for the local computer classes) which you can enter monthly if you feel circumstances are changing in your area. Without wishing to alarm you I would stress the need to take basic precautions in respect to locking doors and windows whether at home or not, keeping valuables out of sight particularly in vehicles, secure outbuildings to deter opportunist crime and to be wary of callers to property who you are unfamiliar with. If you have cause to be suspicious call the police on the contact numbers below. You live in a relatively low crime area with a good community spirit and hopefully we can keep it that way.

County Councillor's Diary

This is a brief update of the ongoing issues within the Llangollen Rural Ward. I would like to start by saying what a good year 2010 was, and I hope the success continues this year.

We have seen the coming together of our three villages working for the good of their communities. What a wonderful Christmas spirit, with the switch on of the Christmas tree lights, one at Trevor green, one in Garth, and one at Fron Community Centre. Once again the visit from Santa around our three villages was a great success, and I would like to express my thanks to Santa and his helpers for all their hard work. The pensioner's party at Trevor Community Centre was once again enjoyed by all who attended. I would like to say a special thanks to all who made it a great success.

Dog Fouling It is with regret that I have to say people are still not picking up their dogs mess, and having walked around the ward in the last couple of weeks it seems to be on the increase.
Be Warned I have asked the dog wardens to do some extra patrolling in all areas.

Disruptions The Bont Bridge has been hit again, but at least the driver of the wagon had the courtesy to stop and report it this time! This will mean the repairs can be started sooner rather than later. As we go to press Wrexham County Borough Council have now re-opened the Bont Bridge after making a temporary repair. However North Wales Police and Wrexham Council will be closely monitoring the situation.

The Arctic condition has caused us more problems again this year. So much for Global Warming, I hope we are over all this now, and can look forward to a warm summer.

Welsh Water are installing a new water main on Station Road, which has caused a few traffic problems, but this work needed to be done and as the old saying goes "if there's no pain there's no gain"!

School Governor I am looking to fill a vacancy for an independent governor for Froncysyllte School, this is an L.E.A appointment which I have to nominate, if anybody is interested please contact me.

Community Council My term of office as Chairman is now coming to an end. I would like to take this opportunity to thank all my fellow councillors and the clerk, for all their support and hard work over the past year. I would like to thank the Clerk for looking after the finances, and once again returning a good audit.

On behalf of the community council we would like to thank all the local organisations who have worked so hard on the Wales & Wrexham in Bloom competition. We came second again last year, the planters and the hanging baskets were a great show and really brightened up the ward. The hanging baskets at Trevor Community centre came first in a competition sponsored by AVOW, this competition was held throughout the borough, what a great achievement. Well done keep up the good work. We will be working again this year to maintain this standard, if you feel you could spare some free time or advice please do not hesitate to contact your Councillors through Llangollen Rural Community Council.

Any problems don't hesitate to contact me.
