2 Commitment to Training

2.1 **Llangollen Rural Community Council (LRCC) is committed to the ongoing training and development of all councillors and employees**, to enable them to make the most effective contribution to the Council's aims and objectives, in providing the highest quality representation and services for the people of the community.

2.2 LRCC recognises that it's most important resource is its members and employees, and is committed to encouraging members and employees to enhance their knowledge and qualifications through further training. Some training is necessary to ensure compliance with all legal and statutory requirements.

2.3 The Council expects the Clerk/RFO to undertake a programme of continuing professional development (CPD), in line with the requirements of their requisite professional bodies.

2.4 Providing training yields a number of benefits:

- Improves the quality of the services and facilities that LRCC provides;
- Enables the council to achieve its aims and objectives;
- Improves the skill base of the employees, producing confident, highly qualified staff working as part of an effective and efficient team; and
- Demonstrates that the employees are valued.

2.5 Training and development will be achieved by including a realistic financial allocation for training and development in the annual budget, and taking advantage of any relevant partnership provision available.

2.6 The process of development is as follows:

- a) Training needs should be identified by considering the overall objectives of the council, as well as individual requirements.
- b) Planning and organising training to meet those specific needs.
- c) Designing and delivering the training.
- d) Evaluating the effectiveness of training.

3 The Identification of Training Needs

3.1 Employees will be asked to identify their development needs during their Performance Management Review, or regular meetings with their manager. There are a number of additional ways that the training needs of both Members and staff may be recognised:

- Questionnaires
- During interview
- Following confirmation of appointment
- Formal and informal discussion

3.2 Other circumstances may present the need for training:

- Legislative requirements i.e. First Aid, Fire Safety, Manual Handling
- Changes in legislation
- Changes in systems
- New or revised qualifications become available
- Accidents
- Professional error
- Introduction of new equipment
- New working methods and practices
- Complaints to the Council
- A request from a member of staff
- Devolved services / delivery of new services

3.3 Employees who wish to be nominated for a training course should discuss this in the first instance during their appraisal; where it will be determined whether the training is relevant to the council's needs and/or service delivery.

4 Corporate Training

4.1 Corporate training is necessary to ensure that employees are aware of their legal responsibilities or corporate standards e.g. Health and Safety, Risk Management and Equal Opportunities. Employees will be required to attend training courses, workshops or seminars where suitable training is identified.

5 Financial Assistance

5.1 It is important to note that all sponsored training must be appropriate to the needs of the Council, be relevant to the individual's role and is subject to the availability of financial resources.

Each request will be considered on an individual basis and the benefits to the individual and the council will be identified.

In order to best ensure cost effectiveness, Members and employees will be required to attend the nearest venue offering the required course, unless an alternative is authorised by the Council in the interest of operational effectiveness or Best Value.

5.2 Other considerations include the following:

- Implication of employee release for training course(s) on the operational capability of the council
- The most economic and effective means of training
- Provision and availability of training budget

5.3 For approved courses Members and employees can expect the following to be sponsored:

- The course fee
- Examination fees
- Associated membership fees
- One payment to re-take a failed examination

5.4 Members and officers attending assisted courses are required to inform the Clerk immediately of any absences, giving reasons.

5.5 Failure to sit an examination may result in the Council withdrawing future course funding and/or requesting the refunding of financial assistance. Each case will be considered on an individual basis.

5.6 Llangollen Rural Community Council operates a Return of Service agreement. Any employee undertaking post-entry qualifications funded by the Council must be aware that, should they leave LRCC employment within two years of completion of the qualification, they will be required to repay all costs associated with the undertaking of such training. If the employee takes up employment with another Local Authority an exemption to this clause may be granted.

6 Study Leave

6.1 Employees who are given approval to undertake external qualifications are granted the following:

- Study time to attend day-release courses
- Time to sit examinations
- Study time of one day per examination (to be discussed and agreed by the manager in advance)
- Provision of study time must be agreed with the manager prior to the course being undertaken.

- Travelling expenses in accordance with the Council's current policy
- Subsistence in accordance with the Council's current policy

8 Evaluation of Training

8.1 Records of all training undertaken by employees will be kept in the personnel files of each member of staff.

8.2 As part of LRCC's continuing commitment to training and development, employees are asked to provide feedback on the value and effectiveness of the training they undertake, highlighting in particular the key implications of new legislation, guidance and/or best practice for the ongoing efficiency and effectiveness of the authority.
